ERRATUM

In the paper by Donis and Goller, 'A mathematical model of a control rod drop' *Nuclear Engineering and Design* 23 (1972) 107, due to clerical error it was not mentioned that the appendix had been taken from work performed by Mr. E. F. Adiutori of Stability Consultants, 618 Waycross Road, Cincinnati, Ohio 45250, USA.

Dear Gene - Here you are, finally.  
Carlos
