Dear Mr. Adiutori:

Thank you for allowing us to study your proposed book on THE NEW HEAT TRANSFER. We were delighted you thought of McGraw-Hill in connection with this interesting work.

Several reviewers who saw your material praised it highly. However, none of the reviewers could foresee a large enough demand for the book to support publication. We are extremely sorry this is so.

You may wish to try another publisher. If you do, we wish you the best of luck in having your book published.

Once again, thank you for thinking of McGraw-Hill. Your manuscript is being returned under separate cover.

Very truly yours,
