Dear Ms. Buyers,

Please reserve pages i and ii in the December issue of Int Jour Ht and Mass Transfer. I also wish to reserve these same pages for all 12 months of 1974. Although this reservation request has no contingencies, it seems to me that a quantity discount would be in order.

I understand that the December issue deadline is Sept. 24 and I shall have no trouble meeting it.

Sincerely yours,

Eugene F. Adiutori
