Eugene F. Adiutori
12887 Valewood Drive
Naples, FL 34119

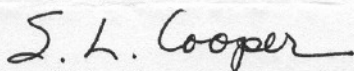

Dear Mr. Adiutori:

Thank you for giving the MIT Press the opportunity to review your proposal entitled *The New Engineering*.

Unfortunately, the project is not appropriate for our current publishing list. We are, therefore, unable to accept it for publication.

We thank you for thinking of the MIT Press and wish you and the project success.

Sincerely,

S. L. Cooper
