Dear Director Gradov,

Enclosed are the three copies of the draft agreement with regard to your translating and publishing "The New Heat Transfer" in a Russian version. Please note that the copyright owner is Eugene F. Adiutori.

When completed, "The New Heat Transfer" will consist of three volumes. The enclosed agreement covers Volume 1. Volume 2 has just recently been published, and Volume 3 will be published some time in 1976. If the Mir Publishers are interested in Volume 2, we would be happy to send them two review copies.

Sincerely yours,

Eugene F. Adiutori
