Dr. Eugene F. Adiutori  
Stability Consultants  
618 Waycross Road  
Cincinnati, Ohio 45240

Dear Dr. Adiutori:

Your recent letter to me was quite interesting. Since Professor Bliss left me no files, I have no prior record of your paper. I would certainly be amenable to receiving three copies of it (in the present Journal format--see enclosed) and I shall have it reviewed.

Sincerely,

Robert C. Reid
